DISC 2022 conference:
information for sponsors

DISC, the **International Symposium on Distributed Computing**, is an international forum on the theory, design, analysis, implementation, and application of distributed systems and networks.

The conference is organized in cooperation with the *European Association for Theoretical Computer Science* (EATCS), and together with its sister conference PODC, it is one of the leading conferences in the area. The DISC conference has a long history; it was first organized in 1985, and in 2022 we will already have the 36th meeting in the conference series.

In 2022, the conference will be organized in a hybrid format: both physical and online attendance. We are seeking sponsors who would help us make this a successful event. We aim to provide paid registration for in-person attendees and reduced registration for virtual (off-location) attendees; we hope to attract a record number of participants. We believe DISC 2022 will also be an excellent opportunity for companies to connect with the leading researchers working in distributed systems and networks, both in local social activities and in (many) virtual activities planned.

Sponsoring for DISC 2022 is organized in four tiers, with the following benefits for the sponsors; we are happy to discuss the details of the implementation of the gold and platinum level benefits:

	Bronze 1000 $	Silver 3000 $	Gold 5000 $	Platinum 10000 $
Logo and name visibility in the conference web page, online material, and proceedings	✓	✓	✓	✓
Additional visibility in the opening and closing ceremony and business meeting	–	✓	✓	✓
A dedicated channel in the conference's online discussion platform that the sponsor can use e.g. to advertise open positions and to communicate with conference participants	–	–	✓	✓
An opportunity to organize a short online event during the conference, e.g., the sponsor's presentation over a video conference platform immediately following one of the keynote lectures at the conference	–	–	–	✓

For inquiries and for more information on sponsoring DISC 2022, please contact Christian Scheideler, the program committee chair of DISC 2022, at scheideler@upb.de, or Moti Medina, the treasurer of the DISC conference series, at moti.medina@biu.ac.il.
